## Sands Caravan and Camping Terms

All our guests must observe the following conditions in order to keep the friendly atmosphere in this peaceful corner of the West coast.

**Pets** – While permitted on the park your dog must never be left unattended anywhere on the park and must be kept on a short lead at all times. A dog walking area is provided to exercise your dog off the park. Dog owners will be responsible for cleaning any mess the dog makes.

**Choosing a pitch** – There are no designated pitches on the park, all units when choosing a pitch must keep a distance of at least 7m (20ft) from their neighbour.

**Tickets** – All units must display a valid ticket, obtained at reception on arrival, on the car windscreen visible for inspection at all times.

**Payment** – Payment is made on arrival at reception. Should you wish to extend your stay this must be done by mid-day.

**Toilets** – Use the toilet and shower facility with great care and consider the next person after you. Leave everything neat, clean and tidy after use and we will all be very happy. Children must not play in or around the toilet block.

**Campfires** – No campfires are permitted on the park, campfires on the beach while permitted must be cleared afterwards.

**Noise** – Please consider other guests and keep noise to a minimum, especially between 10.30 pm and 8.00 am.

**BBQs** – Raised BBQs are permitted, disposable BBQs must be kept off the grass to prevent damage to the turf.

**Driving** – Please adhere to the speed limit of 10 mph at all times on the park

**Waste & Rubbish** – Wipes, sanitary waste, nappies, cloths etc must not be flushed down the toilets; these items must be wrapped and put in the bin provided. Empty chemical toilets at the chemical disposal point only. Empty waste into designated drain only. Refuse areas are situated around the park. Please do not drop litter.

We pride ourselves on our facilities. We therefore enrol you during your stay into our park watch scheme. If you see any person misusing any facilities, please report them to the reception office immediately.

The owners of the park are absolved of all liability for accidents to caravans, tents, and guests and from any responsibility for loss or damage to personal property.
